

Armadale Masters Swimming Club

Club Championships Round 3

Hi Swimmers,

18 swimmers dug deep for the grueling 200m and 50m swims for round 3 of the Club Championships with everyone who had swum these strokes and distances over the past 16 months all within 6% of their best times. There were a number of first time swims and now that those swimmers have a time recorded they will be able to build on their one point after that inaugural swim.

In addition to all the fast swims 3 new age group club records were set with Stanley setting yet another record in the 200m freestyle and Xavier in both 200m breaststroke and 50m backstroke.

3 existing age group club records were also lowered on the day with Heather Jeps lowering her existing 200m breaststroke record, Graham Hicks lowering his existing 200m backstroke record, and Stanley lowering his existing 50m backstroke record yet again.

Thanks to all those who assisted with running the event

Well done everyone, and look forward to seeing you all again for round 4 on the 4th of May when we will be swimming short course 100m, 50m and 25m choice events at our new Winter venue at the Cannington Leisureplex.

See the other attachments for the results and all the details

Regards,
