

Well it seems like only last week we had just wrapped up the club champs for 2015 but instead we were all competing in round 1 of the new 2016 Club Championships series. With the series going back to the 10 round format for the year and the first round being in Feb, it was decided to give it a try on a Tuesday night with a 200m and 50m choice of stroke. We got a nice warm night, a good turnout of 14 swimmers and some great results to start the year.

Some swimmers chose to go with a favourite stroke while others tried something for the first time or the first time for a while. Highest points scorer on the night was Graham Cragg with Greg and Jeff in second and third. There was only the 1 pb recorded which was Jeff in his 200m freestyle, all that cross training must be helping the swimming Jeff! There were 10 new individual club records set with 6 being set in previously vacant age groups. Special mention to a couple of slippery swimmers from lane 7, both Vanessa and Xavier setting 2 club records each for their age groups.

Great swimming everyone.

Please see the website for all the reports.

As this was a trial of the midweek timeslot for club champs during the warmer months, namely Feb and March, please provide your feedback to myself or any of the committee.

Also thank you to everyone for your timekeeping and recording efforts, no missed strokes or distances on the sheets!.

Look forward to seeing you all back for round 2 in March.

Cheers.
