

Armadale Masters Swimming Club

Hi Swimmers,

15 keen swimmers turned up at the Armadale Aquatic Centre for round 9 of this year's Club Championships. It was good to see a few faces that have been missing for a while especially when they bring along one of their beautiful Lumberjack Cakes for morning tea. Not sure if the dietician was impressed with it though.

2 new club records were set by Colin and Fettes in the 50m backstroke and 3 existing club records were lowered with Linda lowering her 50m Breaststroke record, Ross Lowering his 50m Backstroke record and Greg Lowering his 50m Butterfly record by a whopping 4seconds.

In addition to the 5 club records we also saw 7 PB's swum by Linda in the 50 Breaststroke, Jenny in the 200m Freestyle, Greg in the 50m Butterfly, Colin in the 50m Backstroke, Yvonne Hunt in the 50m backstroke and Ross with PB's in both 200m freestyle and 50m Backstroke.

Thanks to Jannette for helping out with running the meet and also thanks to the Crofts for starting us with the new whistle

Well done everyone, it's been amazing to continually see so many club records tumbling and PB's being swum over the past 10 months or so.

Regards,

Jeff
