RAMOS

R. A. M. O. S. ?

REGULAR ARMADALE MASTERS OCEAN SWIMMERS.

RAMOS REPORT: COTTESLOE CLASSIC SATURDAY JANUARY 13th

“Only those who risk going too far can possibly find out how far they can go.”

And so it was , that 5 of the Ramos regulars, clad only in a token lycra covering, plunged into the sparkling waters of the Indian ocean.

Cottesloe beach is iconic for beach and ocean swimming, just ask the great whites!

However, no bities this Saturday, just magnificent clear, clean ocean water, minimal breeze with flat seas and a bonus; no stingers!

One could say perfect conditions for a dip.

The swim had two options with the classic Cottesloe mile (1.6km) and a new 3 km swim.

Ross and I did the big swim , with Heather, Charles and Fettes opting to keep with tradition and do the mile. All swimmers did a great job.

For swimmers interested in giving the ocean a go; all these swim events have shorter distances that you can start with. Cottesloe was no exception with a 500 m event. I encourage all members to give it a go. Apart from the swim, the breakfast after is always great fun.

Next swims to look out for is the Australia Day swim at Dodds beach in Mandurah the 26thJan . The Australia Day swim is always well supported by

the club, so come and join us. Late entrants are allowed to enter 1 hour prior to the swim.

Times for the CLASSIC day were;

Greg 55.53, Ross 1 hr 5.03, Fettes 31.52 (3rd in his age group),
Heather 33.22 and Charles 28.14

“THE SEA, ONCE IT CASTS ITS SPELL, HOLDS ONE IN ITS NET OF WONDER FOREVER”

GREG

BIRTHDAY WISHES

Many happy returns to:
