

Armadale Masters Swimming Club

Club Championships Round 6 2019

We're just over half way through the season and there is only 2 points between the top 3 gentlemen and the gap is closing on the between top 3 ladies with Sue away on holidays.

Points Scored:

Top points scorer this round was Hans with 8 points followed by Fettes with 6 points.

PB's:

No PB's again this round and will be difficult to get any in the future with no dive blocks or backstroke handles to help get a good start.

Club Records:

Three existing club records were lowered with Maree lowering the existing 25m breaststroke by 0.96 seconds, Joanna smashing the existing 25m backstroke by 2.8 seconds, and Hans also smashing his existing 200m breaststroke record by 6.7 seconds – Well done guys.

Gillian with her new found long stroke butterfly set a new record in the 200m fly.

A big thank you to Jenny for helping me to quickly scribble up some entry cards before the meet and to Lexie helping out with the timing and paperwork. Well done everyone, and look forward to seeing you all again for round 7 on the 3rd of August.

Jeff
