Club Championships Results 2019

Congratulation Suzanne Sullivan and Colin Gibson for taking out the honour as our most improved swimmers for 2019 and winners of the 2019 Armadale Masters Club Championships.

It was a very close finish in both the female and male categories with just 2 points separating 1st and 2nd and 2nd and 3rd places for 2019 which is the difference between a good and a not so good swim.

Points Scored:

Heather Jeps was top points scorer on the day with 7 points – well done Heather.

Club Records:

Julie set a new record in the 18-24 years 100m breaststroke and I'm sure she will lower this in the New Year as her fitness improves. Alexandra lowered the existing record in the 30-34 100m Breaststroke by just over 2 seconds and Mary smashed the existing record in the 75-79 years by over 30 seconds

Thank you again to Rose for helping out helping out with the timing.
Well done everyone, and look forward to seeing you all again next year.

Jeff
