

AMSC 2021 Club Championships Round 3 – 1 May 2021

Twelve members kicked off the covers and bounced out of bed on the coldest morning of the year so far to compete in round 3 of our Club Championships.

For those who don't know, the Club Championships is not about being the fastest swimmer in the club – or even your age group. Points are awarded based on how well you swam that day in comparison to your previous times for that stroke and distance. It is a friendly competition rewarding consistency, effort and having a go.

Two events were on offer – 100m choice, and another 100m choice in the 50m pool.

Sarah Carr continued her form from April as top point scorer of the day on 6 points, followed by Jennifer Findlay and Rose Fenton on 4 points.

Top performance of the day goes to Alex Holt's youngest child Fable, who did an impressive job of timekeeping under the watchful eye of instructor Graham Hicks.

In the Men's competition, Graham Hicks on 9 points has edged in front of Wayne Sam-Hayes on 8, followed by Fettes Falconer in third on 5 points.

In the Women's competition, Sarah secured the lead on 14 points from April's leader Pamela Pearson, who sits in second on 12 points. Consistent performer Jennifer is not far behind on 11 points.

The next round of Club Championships is scheduled for the first Saturday in June. Plenty of time to get some practice in!
