

Saturday 1st July saw 11 swimmers take on round 6 of our club championships.

Three events were on offer - 100m, 50m and 25m choice.

Sarah Carr showed us how fly is done, opting for the 100m fly, while Tara Le Flohic and Megan Webster both completed their first 100m IM with the club.

Yvonne Hunt was top point scorer of the day with 13 points, followed by Fettes Falconer and Sarah Carr on 8 points each. Yvonne has increased her lead in the women's competition, with Sarah and Megan hot on her heels. Graham Hicks leads the men despite taking it easy this month, but the competition is close with Fettes and Hans Vosbergen not far behind.

There was a total of ten Club Records set with two swimmers achieving a clean sweep. Mary Plant and Gillian Caruso set a record in each of their swims, that doesn't happen too often. Sarah Carr set two records and one each to Wayne Sam-Hayes and Hans Vosbergen.

Personal best times were set by Alicia one and Wayne two so a family affair of PBs.

Round 7 of club championships will be on August 5 at 9.30am. See you there!
