

Hi Swimmers,

On a pleasant sunny Sunday morning the Armadale Masters team headed to Newman Churchlands to compete in our second interclub meet for 2024. The Armadale team members were Natalie Upson, Megan Webster, Heather Croft, Heather Adams and Charles Croft.

Armadale with only five team member compared to thirteen at Fremantle, the Armadale Masters team finished in eleventh place out of 20 teams.

There was no PBs, although Megan Webster was only 0.08 of a second from a 50m fly PB. Heather Croft set the only Club Records in her 200m free and 100m breast.

Only one relay was possible due to the small team size. The ladies competed in the 200m free (200-239 age group), finishing fourth.

Well done to all team members.

Armadale Masters team results are available from the [Latest News](#) page on the [Club Website](#).

Graham Hicks.
