

Freemantle Meet

The last Sunday of March was a great day and turn out with 8 of our swimmers Meg, Matt, Dave, Charles, Heather C, Heather J, Colin and Nat competing at the Fremantle 50's Competition.

Big thanks to our volunteers Gillian for officiating, Heather C, Charles and Colin for helping out with the timekeeping.

Special mention for our first timers Dave and Matt who seemed to have enjoyed the new experience! Look forward to many more our new regular pool comp competitors.

Overall Armadale came 11th out of 22 teams with a total of 49 points! Well Done!

Matt had an impressive day with 3 PBs including a 31.62 second time for his 50m Butterfly. 3 first place wins, overall age group winner and 3 new club records, not to mention bringing it home fast for both our relays! Congrats Matt.

We had lots of outstanding swims with multiple PBs and some new club records!

Matt smashing all 3 of his swims, Meg in the 50m Breast 46.85 winning her age group and beating her current club record, Dave in the 50 m breast and 50m Back, Heather J in the 50M free and 50m Back with a 4 second PB and Charles in the 50M back 52.87 with a new club record set by 10 seconds, he also set a new club record in the 50m Breast 50.44 by 7 seconds.

Unfortunately we had one hiccup of the Day with poor Dave getting disqualified in his first race due to wearing his watch. He still swam an awesome 50 Free, but will have to race again to record his time.

With such a great turn out we were able to enter both the relays with the Freestyle Team Dave, Heather J, Meg and Matt who came 4th and the Medley team Meg, Charles, Nat and Matt came 6th.

Was great way to end the day seeing everyone having fun and swimming their hearts out for the club with a full cheer team, followed by Lunch put on by the Fremantle club.

I didn't stick around for the raffles but hopefully Heather and Charles picked something up. Fettes you were missed but in our thoughts for a speedy recovery.

Well done to the swimmers, spectators and volunteers from the club!

See you all at the Next one, State Championships on May the 3rd & 4th. Nat will remind everyone once the entries open.
